Circular for Classes III to XII

Dear Parents,

Greetings

“ Reading the morning newspaper is the realist’s morning prayer” –

Georg Wilhelm Friedrich Hegel

We at GDGPS have a vision of encouraging children to experiment and experience while learning. Our repertoire facilities nurture the young minds and our aim remains focused at honing their talent. Initiatives that help discover a versatile set of skills in students, their brimming aspirations and their unquenchable thirst for knowledge is funneled in collaboration with Times of India through the Newspaper in Education program.

Times NIE enables children to become critical thinkers and keen observers. These attributes pave the way for grooming children into responsible, aware and caring adults of a global society. It also plays a pivotal role in enabling, encouraging and empowering the young minds in a smart way so that they stay ahead. The Student Edition provides articles that are used as a reference or as topics for classroom discussions. The emphasis is to empower the young reader to emerge a winner, both at school and in a social set-up. It also aims at setting the pace and momentum for children enabling them to discover their potential, staying ahead of their own selves.

The Student Edition of Times of India Newspaper as a part of the NIE programme is available for the Session 2018-19 for 150 days (excluding holidays) at a cost of ₹375/-. Kindly send the required amount by 20th April, 2018 for the annual subscription of the NIE Student Edition.

Make your children stay ahead at every step!

Looking forward to your cooperation in nurturing aware readers in our students

Regards

Principal
Dr. Kavita Sharma
