Dear Parent

Greetings!

In today's highly competitive world, it has become imperative for students to perform well academically, especially in the Board Examination. We at G D Goenka Public School, Indirapuram strive to provide extensive guidance to our students on how to prepare for these exams.

In this endeavour, we are collaborating with Hindustan Times and Studymate to introduce a comprehensive board exam preparation foundation program for students of classes VII to IX to help them test and build their concepts. This program will not only help students identify their strengths and weaknesses, but also formulate their study plan for better academic performance.

The program is being conducted for over 100 schools of Delhi and NCR. The meritorious students will be awarded Studymate Academic Scholarships as a waiver on tuition fee for Studymate Program (if they enroll for it. Please note, enrolment for the program is optional).

As a part of this program, Studymate will:

1. Conduct Scholastic Aptitude Test for the students in January,2018 to test fundamentals of Mathematics and Science.
2. Identify improvement areas of each student and provide them with inputs to build their foundation for the Board Examination.
