Circular for Classes IV to X

Dear Parent,

Greetings

***'Education is not the learning of facts, but the training of the mind to think.'* - Albert Einstein**

We at GDGPS provide our students with a conducive learning environment wherein the children are exposed to various educational resources and expansive reading material. The school encourages the development of life-long learning abilities and love for reading in the students.

Newspapers are an influential and integral part of our society. Newspapers bridge the gap between the classroom and the real world. The NIE program of Times of India provides curriculum linked activities based on news stories which not only help in sharpening their thinking skills but also prepare the students for active citizenship.

The Student Edition of Times of India Newspaper as a part of the NIE programme is available for the Session 2017-18 for 150 days (excluding holidays) at a cost of ₹ 375/- . Kindly send the required amount by 28th April, 2017 for the annual subscription of the NIE - Student Edition.

Looking forward to your cooperation in nurturing aware readers in our students.

Warm regards

Principal

Dr. Kavita Sharma
