Dear Parent  
Greetings!

*'Education is not the learning of facts, but the training of the mind to think.'* - Albert Einstein

We at GDGPS provide our students with a conducive learning environment wherein the children are exposed to various educational resources and expansive reading material. The school encourages the development of life-long learning abilities and love for reading in the students.

Keeping this in mind, we are pleased to introduce- **'Young Angels-Empowering Life Skills'** – a unique, comprehensive and child friendly educational magazine. This magazine is carefully designed and developed after in-depth research, under the expert guidance and supervision of experienced faculties from the field of education, in accordance with the guidelines laid down by CBSE. The aim of this magazine is to make learning a joyful process for the learner and to enhance their life skills.

The Young Angels Empowering Life Skills Magazine will be available in a series of monthly books for the Academic Session 2018-19 i.e. from April 2018 to March 2019 at a cost of ₹360/-.
