Dear Parent

We at G.D Goenka Public School, Indirapuram always endeavour to provide our students with a secure environment in the school. This is, however, not possible without your cooperation. In view of the recent unfortunate instances regarding the safety of the students during transit to and fro to the school, proactive remedial measures to ensure safe transport has become one of the paramount safety objectives for our school.

Keeping this in mind, if your ward travels by a private van, please ensure that the van is well maintained, and running on CNG and NOT on LPG. The van driver and conductor have to be licensed and experienced. Overcrowded vans are a threat to your ward's safety. You should also ensure that you have the telephone number and other contact details of the owner, driver and conductor of the van and the details of the route covered by the van. In case your ward travels by private transport, please fill in the undertaking and send it back to the class teacher latest by Wednesday, 9th May 2018.

Regards

Dr. Kavita Sharma

Principal

G.D Goenka Public School, Indirapuram.
