

G.D. GOENKA PUBLIC SCHOOL, INDIRAPURAM

GDGPS/IP/2017-18/ACA- 22

Date: 03 May 2017

Dear Parent

Greetings from GDGPSI!

Memories of school educational trips are among the most prominent of the formative years, largely because they are a welcome break in the routine for both students and teachers. While the purpose is essentially to educate, they also experience amazing bonding with their friends. The students get to know their teachers better by staying together. It will be a classroom outside their regular place of study in school where they will learn not only to look after themselves, but to think about others and thus learn to communicate better with other individuals around them.

We are glad to share with you that GDGPS, Indrapuram is organizing a trip for classes VI to XI. The entire programme is designed with the aim of learning through fun and leisure activities.

The two venue options for the summer trip are :
