Dear Parent
Greetings!

It has been our endeavour at GDGPS, Indirapuram to ensure analytical and logical skill development in our students so as to boost their confidence level while cracking competitive examinations in future. The Silver Zone Olympiad set up in 2004, promotes education, explores potential and develops a healthy competitive spirit among the children. GDGPS in collaboration with Silver Zone is organising Olympiads to promote learning beyond the school curriculum among the students , helping them in realising their potential and developing their skills for a bright and enterprising future.
