CLASS NURSERY TO VIII

Dear Parent

G.D Goenka Public School, Indirapuram has always been a vibrant learning community, where students are provided high quality education through a range of formats and exposure to different environment. The focus as always is pursuit of excellence in all fields. We work towards empowering the 'Goenkans' with creative, critical, intellectual and decision making skills necessary for them to be academically, socially, physically and emotionally responsible.

As another year unfolds, we reach out to the Parents and the Community to work together as an extended family to ensure the success for all our students.

Keeping our mission and aim in mind the school has decided to postpone the Summer Vacations from 18th May 2018 to 25th May 2018. The heat wave will not hamper our working as we are an AC school. The dates for the same have been reviewed considering the delay in reopening of the school due to administrative reasons. Also note, keeping in mind the Kavar Yatra and unforeseen holidays, the school has decided to keep the first and third Saturdays as working throughout the session for classes VI and above. Furthermore, the dates for the winter vacations will be from 1st January to 10th January 2019 or 5th January to 15th January 2019, depending on the severity of the winter conditions. The school will compensate for any unforeseen closure, as teaching/learning is our priority.

As we step into the new Academic Session, we would like to extend our gratitude to all the Parents for their support and encouragement, which acts as an impetus for us to scale greater heights.

Looking forward to a successful Session!

Regards

Dr. Kavita Sharma

Principal

G.D Goenka Public School, Indirapuram.
