Circular for Classes Nur- XI

Dear Parent,

Safety and security of our students is of prime importance to us at GD Goenka Public School, Indirapuram.

Safety norms are laid down to ensure that each and every child feels safe and protected. It has always been our endeavour to work in close coordination and partnership with the parent community, we once again seek your cooperation to safeguard our students.

Request you to please make a note of the following safety guidelines:

- 1. Students will not be granted half day or short leave during school hours. Appointments with dentists, doctors or others should be avoided during school hours. Such leave requests will not normally be entertained.*
- 2. Students are not allowed to bring mobile phones/ipods/cameras, etc into the school campus. These gadgets, if found in possession of the students within the School Campus, will be confiscated.*
- 3. Bringing tiffin boxes, water bottle, etc. into the school campus during school hours through parents, drivers, domestic help, etc. will not be permitted.*
- 4. Parents are requested not to visit their wards in the classrooms without the permission of the Principal/Vice principal. Requests for meeting teachers on school days other than on Ptm days will not be entertained. If necessary, prior approval of the principal/vice principal must be obtained.*
- 5. Request for direct pick up or through an authorized person by the parent, should be submitted on separate sheet of paper. Such requests written in the Almanac (Diary) will not be considered for approval.*

Looking forward for your support.

Warm regards

Dr. Kavita Sharma
Principal
