

**G.D. GOENKA PUBLIC SCHOOL, INDIRAPURAM**

Date: 13<sup>TH</sup> July, 2017

**Advisory for Classes Nursery - XI**

Dear Parent

In the wake of a rise in the cases of Dengue fever, the school is taking preventive measures like fogging and spraying of mosquito repellants, Students are also advised to wear full sleeve shirts and trousers as per school uniform.

You may also be informed the school is being fumigated on a regular basis to safeguard our children from vector-borne diseases.

You may refer to an advisory on Dengue uploaded on the school website [www.gdgoenkaschoolindirapuram.com](http://www.gdgoenkaschoolindirapuram.com)
