Circular for Grade IV- X

THE CBSE-TERI GREEN OLYMPIAD

Dear Parent

Greetings!

We at GDGPS Indirapuram reiterate our commitment towards providing a holistic education to the students and are tirelessly striving at grooming independent thinkers. In collaboration with CBSE, The Energy and Resources Institute (TERI) is going to conduct a Green Olympiad in India and abroad for school students. Participation in the Green Olympiad is an excellent opportunity for students to test their environmental quotient. The examination will be organized in the school premises (managed within the timetable) as per the questions woven around environmental issues with direct linkage to the school curriculum which assesses environment related sensitivity of the students.

About the Olympiad :

- The exam will be conducted at three levels
 - Level 1 (Class- IV & V)
 - Level 2 (Class- VI - VIII)
 - Level 3 (Class- IX & X)

Theme : Our Environment and Sustainable Development

Schedule : 25 October, 2017 (Wednesday)

Duration : 1 hour

Registration fee : ₹ 75/- (to be submitted in cash to class teachers by Monday, 24th July, 2017)

Certification: All participants are eligible to receive certificates of Distinction/Merit/Participation according to their performance.

We request you to encourage your ward(s) to participate whole-heartedly in this Olympiad and enhance their knowledge and appreciation for the environment.

Warm regards

Dr. Kavita Sharma

Principal
