Dear Parent

Greetings!

The true feeling of 'Giving' always respects and preserves human dignity and works towards moving the focus from the conventional giver's pride to the unconventional receiver's dignity and self-respect.

We at G. D Goenka Public School, Indirapuram always aim to inculcate among our young learners a habit of mindful giving for a cause that helps bridge the massive gap of social and economic inequalities. The need of the hour is to sensitize our children through this whole hearted process of giving to impact people's lives in positive ways. Children need to actualize not only as individuals but also as citizens. You, as partners in education, are requested to join hands with our Goenkans in this endeavour to 'Be the change'

Your child's class will be putting together a family pack/ school pack for the families and friends in rural India. Kindly send any of the mentioned items that you can spare.

For family / school pack you may send one item or a combination of two or more items.
