### CIRCULAR FOR CLASS-X

Dear Parent

Greetings!

With the board examination being reintroduced by CBSE at Class X level, scoring well in them has become imperative for students to be able to choose a stream of their choice in Senior Secondary classes. We at G D Goenka Public School, Indirapuram strive to provide extensive guidance to our students on how to prepare for these exams.

In this endeavour, we collaborate with Hindustan Times and Study Mate to introduce a comprehensive board exam preparation program comprising a series of mock board exams. This program will not only help students identify their strengths and weaknesses, but also formulate their study plan for better academic performance.

The program is being conducted for over 100 schools of Delhi and NCR. The meritorious students will be awarded cash scholarships worth ₹ 25 lakhs by Study mate.

As a part of this program:

1. A counselling session on **Tips to crack the Board Exams** would be conducted for the students on 7<sup>th</sup> December, 2017, Thursday.
2. **Mock Board Examination for Mathematics and Science** in December.
3. **Model Test papers** in January for practice before boards.
4. Access to **48 hour Board Exam Helpline** in March to help resolve last minute doubts.

To provide the benefits of this program to our students some changes have been made in the Pre-Board 1 Datasheet. Kindly make a note of the same:
