As we approach the new academic session, we understand the importance of transitioning smoothly between grades, especially for those students who are moving from Grade 9 to 10 and from Grade 11 to 12. To facilitate this transition effectively, we have Bridging Classes tailored specifically for Grades 10 and 12. Hence, attending Bridging Classes is mandatory for all the students.

The details are:

Timings – 8am to 12:00pm

Date – 18<sup>th</sup> March 2024 to 29<sup>th</sup> March 2024 (Except 23<sup>rd</sup> to 25<sup>th</sup> March i.e. Holi Break)

Transport will ply according to the mentioned timings.

**Please note, Regularity and Punctuality to attend these classes is to contribute to your ward's academic success.**

Warm regards
