

GD Goenka School, Indirapuram

Session 2024-2025

Date: 25.04.24

GDGPS/IP/2024-25/ ACA-12

Circular for classes III-VIII

Dear Goenkans,

We are excited to introduce our latest initiative: **“Drop Everything And Read Period!” (D.E.A.R)**, this dedicated time will allow you to immerse yourselves in the world of literature, where reading will enhance your imagination, broaden your horizons, and ignite your creativity. This will be a weekly event, and students will have the opportunity to create **Mini Class Libraries** by bringing their own reading books to share. Bring forth your treasured novels, comics, or beloved poetry collections, as each book you contribute plays a pivotal role in shaping the miniature literary haven. Remember to label your books and bring them on 29th April 2024.

Expectations from Reading Period:

- **Engage in focused reading:** Use this time to immerse yourself in your chosen book, allowing yourself to be fully absorbed in the story.
- **Respectful behavior:** Maintain a quiet and respectful environment to ensure that everyone can enjoy their reading time without distractions.
- **Participation in sharing:** Be open to sharing your thoughts and recommendations with others, fostering a sense of community and enthusiasm for reading.
- At the end of each month, books will be returned to students, ensuring a fresh rotation of reading material. This ensures a variety of reading options and keeps the excitement alive!

So, get ready to embark on this literary voyage with us! Let's turn the pages together and explore the endless possibilities that lie within the covers of a book.

Plant a  and see it grow!

Best wishes

Ms. Jharna Anand

Principal
