Dear Parent

Greetings!

G D Goenka School Indirapuram is always committed to foster a well rounded education. In our continuous effort to provide top-notch facilities and opportunities for our students, we are delighted to announce and introduce a new sport in our school- **Pickleball** ,the world's most-fun racket sport. It is played on a court that is 20' x 44' and is ideal for all levels of athleticism. The upcoming addition of this new facility will enrich our sports amenities and offer our students a fantastic opportunity to engage in a dynamic and enjoyable sport.

The construction of the pickleball court is already underway, and we are taking all necessary measures to ensure the safety and minimal disruption to our school activities during this period.

The pickleball sport will promote physical fitness, teamwork, and healthy competition, enhancing our students' athletic skills while providing a fun and inclusive environment.
